

Law and Order

Sunday, 14 January 2007

The "LAW of the Land"
is the GLUE that holds any Democratic Country together

If it is abused or cannot protect itself

Then such countries will either slip into

Anarchy or Dogma

WITHOUT
TRANSPARENCY of the LAW

Our

NEW IDEOLOGY

Cannot Become Reality

Transparency can be Achieved
and therefore Public and Business confidence restored.

1

The Government randomly testing Police using Lie Detectors as was their own recommendation.

2

Advance can be used to "Memory Map" the Law. This would take about 6 months.

Thereafter every Legal Case and Ruling, Criminal and Civil, heard by a Court since the signing of the Magna-Carta could be accessed by the General Public instantly therefore Referencing it against there problem before going to a legal professional.

Saving them and the Country many Millions of pounds as arbitration by both sides will be the normal outcome.
