After the Police had Violently Assaulted me in a
Bradford Police Station
Throwing me out !
Threatening me ! That if I came back I would be Arrested for something ??????

My Heinous crime being

Asking to speak to a Senior Police Officer

I decided I would make sure it would never happen again to anyone

To Improve my Credibility as a Politician.

I have then used this CRB to work as a
TAXI Driver at weekends

This provided me with an overview of a typical Northern Town

Listen to the, fears and hopes of the people of all ages, in a totally informal atmosphere.

If elected I will make Keighley a little Singapore
To help in this project
